Are you ready for some ski trips?

**Jerry Lopez,
President**

On behalf of the Kansas City Ski Club (KCSC) Officers and Directors I would like to thank Trip Director Kim Sincox for our 2014-2015 Winter Ski Trip Schedule.

Website Committee Chair Mary Herring and her little helpers deserve a big thanks for the countless hours they have put in. They have been preparing our Trip Captains and making the on-line process user friendly.

Once again, Deb Morgan has helped our Trip Director assemble our *Slushboomer* for you. Deb what else can I say: Thank YOU!

Well, here you are looking at a Trip Schedule that provides you with the opportunity to

**Executive
Committee Update**

**Rich Parrish,
Vice President**

It is hard to imagine that the Kansas City Ski Club is embarking on our 60th season (as of January 1) of ski trips to destinations around the globe! This year we will be offering trips to 11 destinations including an exciting overseas trip to Innsbruck, Austria. Now is the time to plan for your winter trip!

The past two years have seen many changes with the executive management of the Ski Club. As most of you are aware many of the functions of the club such as membership renewal and trip signup may now be done using our new website. Although implementation of the website has required much effort on the part of many volunteers, it is now fully functional.

The website has enabled us to streamline our processes and reduce the club overhead. We were able to close the club office and no longer employ a part time bookkeeper as we have contracted with a local accounting firm, 'Capstone' to keep our books. Future correspondence to the club may be addressed to 4741 Central Street #343, Kansas City, MO 64112-1533. Club archives and historical records are now housed in a storage unit that we are renting.

We are very hopeful that the management changes that are being made will make operation of the club much simpler for both members and the volunteers charged with keeping it

ski in the USA and internationally. I encourage you to sign up for our trips and share this information with family and friends so they can join in the fun as well. You can contact Trip Captains via their e-mail or phone. You can also visit with them at First Tuesday's social events at Californos restaurant in Westport.

KCSC has many volunteer opportunities and please let us know if there are any committees you would like to join. Getting involved is the best way to meet our members and create friendships that last a lifetime!

Also, please remember to update your profile on-line (www.kcskiwebclub.org) if you have changes to your e-mail address or other pertinent information.

Have fun and hope to see you at 1st Tuesday!

running. We should always remember that the club is a volunteer organization and the club will thrive only with the efforts of its membership. We as a club should offer many thanks to the individuals who have diligently served the club during this time of transition and over the 59 previous years.

One of those hard working individuals is Kim Sincox who as Trip Director organized an excellent and successful slate of trips last year. Kim has accepted the challenge as Trip Director again this year and you'll see that this year's schedule of trips is even more exciting. Trip sign up begins September 2, 2014 at our Winter Trip Season Sign-up Event at Californos. Signup and trip information is also always available on the website (www.kcskiclub.org).

So in this the 59th year of the Kansas City Ski Club, my hope is that we'll see many of you not only on the slopes but at all club functions. I hope you'll consider offering your time and talents to the club in any capacity that you choose. Only with our efforts will the Kansas City Ski Club will prosper in its 60th year and beyond.

Thanks very much for your support of the Kansas City Ski Club and THINK SNOW.

Kim's Trip Comments!

Bus trips depart on the evening of the date indicated, generally between 5:30 p.m. and 6:30 p.m. You will need to arrive a half-hour prior to departure to load the bus. Your Trip Captain will advise you of the exact loading and departure times – DON'T BE LATE! If you are not there by departure time, the trip will leave without you.

Leadership Memories

We all need to give thanks to members who have served the club for many years and are now stepping down from their positions:

Thanks to Past President, **Nancy Cochran** who oversaw a momentous year of change in the club over the last year and served as Trip Director the previous year. Nancy is stepping down to enjoy her retirement after many years of service. Special thanks to **Dennis Evans** who is also retiring after serving as Vice President over the last several years. Dennis was instrumental in implementation of the website and other initiatives in management of the club.

And where is our former Treasurer, **Jim Standen**? We all thought he could NOT be replaced! Jim we are going to miss you and are grateful to your financial guidance over the many years you served as Club Treasurer!

Wayne Langemach is stepping down as Club Auditor after serving in that capacity for over five years. Wayne deserves our gratitude for his attention to detail in insuring the financial soundness of all of our trips.

Thanks to our outgoing Board Members who gave their wisdom and brought good humor to our Board Meetings: **Brandon Mann, Ed Reitz, Scott Wright and Gina Selinger**. Scott has accepted the position of Auditor in the coming year and Gina continues to spearhead 'Young Skiers' of the club.

And finally the Kansas City Ski Club gives a big thanks to Recording Secretary **Katie Evans** who kept the Executive committee on track over the last year.

The nice thing to remember is that all of these leaders are NOT going away. You still help us in so many ways.

www. kcskiclub.org

The Website Committee has been working to make the KCSC website easier to navigate and more informative for members. We recently redesigned the kcskiclub.org home page. You will find the website menu on the left, flyers for upcoming events in the middle of the home page, and a list of upcoming events on the right grouped into 3 categories: 1) Social Events including First Tuesday meetings, 2) Trips and events that require advance sign-up and payment, and 3) Club Committee / Business Meetings. Look for the scrolling banner at the top for the latest news!

We want you to continue to receive the annual *Slushboomer* Trip issue and email updates from KCSC. Please help us by making sure your contact information on the website is correct. It takes just a few minutes to login to the website and check and correct your address, phone numbers, and email address on your website profile.

We are continuing to work on improving the website for our members. The Website Committee needs volunteers. We are particularly looking for volunteers to write and organize news articles for the website. Please send an email to websitechair@kcskiclub.org if you would like to join the Website Committee.

Following are some FAQs about the website:
How do I get on the website? Anyone can view the public side of the kcskiclub.org website simply by typing kcskiclub.org into their internet browser.

How do I login to the member side of the website? Go to kcskiclub.org. Click on "Member Login" in the upper right corner of the home page. The Login screen will appear, just enter your User Name and Password to get to the member part of the website.

What if I forgot my User Name or my Password? Go to kcskiclub.org. Click on "Member Login" in the upper right corner of the home page. The Login screen will appear. Click on the "Forgot my UserName/Password" link just below the login box. Enter your email address and first name. Your User Name and a temporary Password will be emailed to you. If the website doesn't find your email address in the member list, a box will appear stating "Could not match your email address and first name..." If that happens, send an email to secretary@kcskiclub.org with your name, current email address, and phone number. The KCSC Secretary will need to look up your membership, change your email address on your website profile, reset your password, and

an email with your user name and password will be sent to you. This may take a day or two.

Oops, I forgot to renew my membership, what do I do now? Go to kcskiclub.org. Click on the “Member Renewals Guide” blue button in the middle of the screen for instructions to renew online or renew by mailing in a check. If you prefer, you can also renew your membership at the Picnic August 17 or at any First Tuesday meeting.

How do I find out more details about a KCSC event or trip? There are two easy ways to get to the event webpage with all the details: 1) Click on the event or trip in the list on the right side of the home page and it will take you to the webpage for the event with all the details. 2) Click on “Event Calendar” in the website menu on right side of the homepage. Click on the month in the upper corner to advance the month until you get to the date for the event or trip. Click on the event / trip name and it will take you to the webpage for the event with all the details.

How do I make a payment for a trip online? Go to kcskiclub.org. Click on “Member

Login” in the upper right corner of the home page. The Login screen will appear, just enter your User Name and Password to get to the member part of the website. Click on your name, then click on “\$ Payment Due” in the drop down box to get to your “Make Payment For” page. Follow the directions on the page to either pay by credit card or send in a check.

How do I update the website with my new address, phone # or email address? Go to kcskiclub.org. Click on “Member Login” in the upper right corner of the home page, then enter your User Name and Password to get to the member part of the website. Click on your name, then click on “Profile” in the drop down box. The “Member Profile” screen appears, find the “Personal Info” box and click on “Contact Info”. Enter any changes to your address, home phone #, cell phone #, and email address, and **click the “Save” blue button at the bottom.**

When I go to kcskiclub.org to sign in, it automatically signs on to my spouse’s account instead. How can I sign on as me? This can happen when members share a computer and your spouse checked the “Remember me on this computer” box when they signed in. Checking this box puts a cookie on your computer so that it always logs on to your spouse’s account. Here are a couple of ways to fix this:

For Google Chrome users: Click on the 3 black lines in the upper right corner of the screen, then click on “New Incognito Window”. This opens up a new window in incognito mode – it doesn’t use or create cookies! In the new window, enter kcskiclub.org, and follow the instructions above to login to the website.

For Internet Explorer users: Click on the gear in the upper right corner of the screen, then click on “Safety” in the drop down menu, then click on “InPrivate Browsing” in the next drop down menu. This opens up a new window that doesn’t use or create cookies! In the new window, enter kcskiclub.org, and follow the instructions above to login to the website.

We have a family membership. Why can’t I sign up and pay for my spouse on the website? Family memberships are set up with one person as the Primary Member, their spouse as a Secondary Member, and children are Junior Members. That is the way the website software vendor handles family memberships. Membership dues are charged to the Primary Member. The Primary Member can sign up anyone on their membership for trips, and can make payments for everyone on their membership. If you would like the Primary Member changed on your family membership to you, just send an email request to websitechair@kcskiclub.org.
